American Jews have formed a vast array of organizations to influence American foreign policy. Of these, AIPAC is the strongest and most famous.

These lobbies have been able to veto about 85 resolutions on

Iran never had a nuclear weapons program

The western media consistently & knowingly reinforces false narratives manufactured by their regimes to justify murder & terrorism

Aaleee ostad. Also, the Zionists and IsraHell interest have embedded themselves in every component of the American system, media, banking, policy, commerce, ... pointing out the atrocities committed by the criminals in IsraHell instantly branded as anti Semitic!!!

S. Susan Marandi @susanmarandi

When you come to think of it, it's not at all surprising that the US government always supports #ApartheidIsrael. After all, North America was built on the #occupation of the lands of Native Americans.
