y'all allah looking out for me. the majority of undergrads in chem here are white and i was blessed enough to be paired w a black woman to mentor who has good race analysis. didn't get pinned with an israeli or some bitch white boy to have to share my knowledge with. alhamdulillah

we had an undergrad in lab who had been on birthright and had one of the street signs to tel aviv on her laptop. it stabbed me every time she opened it. if i had been paired to one of them or one of these conceited white boys i would have lost it.
